5043 Minute by the Honorable Mr. Dickinson — Concurring generally in the remarks of the Most Noble the President on the Guntoor Survey Recording observations on the importance to be derived from a correct Survey of a District and the great advantage which is to be fairly expected from the Services of a Gentleman of Mr. Elliot's talent judgement and application, being devoted to the duty and that Mr. Elliot should be informed, that the Govt. set so high a value on his services that they resolve to entrust the whole survey to him — 21st Augt. 1845 | 5th Septr. 3 5284 Minute by the Do. — Recording observations on Mr. Walter Elliot's report on the debts of the Vassireddy and Suttenapilly Estates and stating that the safest and best modes to be adopted on the occasion will be for the Govt. to cause the Estates to be exposed for sale and purchased on their account and an arrangement made for assigning an adequate portion for the support of each of the Zemindars, & that it might be taken into consideration whether it would not be right to apportion a part of the amount for which the estates might sell to the payment of a quota of the debt owing to each creditor — 21st Do. | 16th Do. 1845

5313 Minute by the Honorable Mr. Chamier — Stating that he has all along been of the opinion that the Honorable Courts orders respecting the holding of lands by Public servants in the Districts in which they are employed should be enforced in Malabar and Canara, as well as elsewhere and that the reasons assigned for staying execution of the Honorable Courts orders in Malabar & Canara appears to him to be entirely without weight or solid foundation — that it appears to him to be very desirable that the extent to which purchases of land may have been effected by persons employed in the Judicial Departt. should also be ascertained and that he willingly yields to His Lordships desire to have further information on the subject — 28th Apl. 1845 — 16th Septr. No. 36

5323 Minute by the Honorable Mr. Dickinson — Thinks, that as a general principle no Native Servant employed in the Revenue Department should be permitted to hold Land in the District to which he is attached, that inconvenience would be felt at first in carrying out the rule in Malabar & Canara but these Provinces should not be permanent exceptions to the General order and that a liberal time should be allowed for the Public servants to dispose of their lands, at the expiration of which term every servant who had not done so should be dismissed from his Office — 26th Augt. — 16th Do.

5880 Minute by the Honorable Mr. Dickinson — Agreeing with the Most Noble the President that balances of revenue ought not to have been allowed to accumulate to so large a sum, as that brought to notice, but as there is no remedy, the amount should be written off — 14th Octr. No. 35

Ibid Minute by the Honorable Mr. Chamier — Concurring with the Most Noble the President as to the inexpediency of allowing arrears of revenue to stand over for long periods, but stating that he cannot consent to any expressions conveying censure upon Mr. Stonhouse — 17th Do. — 14th Oc. No. 36

6209 Minute by the P. — Stating that the proposition to send back Mr. Elliot lately on Deputation in Guntoor, to take charge of that District is open to two objections — 1stly That it is inconsistent with the original object of deputing a Member of the Board of Revenue & 2ndly That it would leave the Bd. without a Member competent to bring to a satisfactory conclusion, the discussion on Surveys and on other important points — 30th Octr. — 11th Novr. 6570 Minute by the Honorable H. Chamier — Stating that the irrecoverable arrears of revenue in the Madras Collectorate from Fusly 1245 to 1352 may be remitted as recommended; observing that Lands and Houses seem to be either improperly assessed, or the Collection not punctually and properly enforced - that no arrear in this small District should be allowed to remain uncollected or unexplained beyond a couple of Months after the close of the Fusly — 16th Octr. 2d Decr. No. 3 — 28 Augt. 1847 No. 45 P. 26 6 - No. 13

6571 Minute by the Honorable H. Dickinson — Concurring with the Most Noble the President that further information should be called for before the Govt. consent to allow the balances in the Madras Collectorate to be written off to profit and loss - observes that the greater part of these balances are stated to be on account of the assessment on houses in a state of ruin and on gardens partially cultivated and also on lands which have been left waste by the owners and suggests that the Bd. of Revenue be required to report whether these lands are saleable and whether they may not be exposed for sale on account of the balances — 18th Do. 2d Do. States that the Board of Revt. shew that it is not possible to prosecute Shashagerry Row the Head Sheristadar of Guntoor on charges of malversation with any prospect of his being convicted & punish and that they have already directed his dismissal suggests that it should be followed up by prohibiting his re-employment in the public Service - and that the Head Goomastah the son-in-law of Shashagerry Row should also receive a similar punishment for bringing a false report of the cultivation of Tucklapaud — 5th Novr. 2d Decr. 1845 No. 9

6611 Minute by the Honorable H. Chamier Esqr. with Notes of the Honorable Mr. Dickinson and the Most Noble the President.

States that when Systematic corruption pervades the Public Establishments, a severe example should be made of any offender of the higher classes against whom charges of malversation can be proved - suggests that the Commissioner in Guntoor be requested to state whether charges of corruption or gross dereliction of duty can be established against Shashagherry Row, and if so whether the Officer in charge of the District has the means of effecting this object or whether the duty can best be performed by himself — 3rd Do. 2d Do. No. 10

6613 — Minute thereon — 28th Do. No. 11

6747 Minute by the Honorable Mr. Chamier

States that the Bd. of Revt. should be censured for withholding from Govt. the letter from the Acting Collr. of Ganjam dated 12th Augt. 1845 and that the sale of the Polauky &ca. Estates which took place two Months ago should be confirmed without further delay - that he cannot conceive what further evidence of the Majority of Ramiah at the death of his father beyond what is given in Mr. Smollett's letter to the Bd. can be required and that Mr. Smollett deserves great praise for the zealous discharge of his duties under great difficulties — 15th Octr. 2d Do. 6748 Minute by the Honorable Mr. Dickinson — observes that by clause First Section II Regulation X of 1831, no Estate the property of a minor not under the Court of Wards shall be sold for arrears of Revenue accruing subsequently to his accession to the same — that if any portion of the arrears on account of which the Mootahs of Palouky &ca were sold, fell due subsequently to their being inherited by the present Zemindar, and he a minor at the time, the Sale of the Estates is illegal and must be set aside — considers the evidence of Ranniah Puntaalas having attained his Majority, very strong, & that the Bd. of Revu. may be required to explain the grounds on which they declined to forward the letter addressed to them by Mr. Smollett which he requested might be submitted for the consideration of Govt. — 20th Octr. 2d Decr. 1845 No. 50

6750 — Minute thereon — No. 51

6919 Minute by the Honorable H. Chamier Esqr. — States that he has no doubt that Dr. Wight on being apprized of Mr. Finnie's opinion of Pullicar-nay, will at once abandon the project of locating a Planter there, & as Dr. Wight was selected at the expressed desire of the Honorable Court to superintend the Cotton experiment, thinks his advice modified by the experience of the Planters, should be followed in carrying it out elsewhere — Thinks if Dr. Wight's contemplated arrangements should be interfered with the Ryots will think that Govt. itself despairs of success & will themselves abandon all hope — Trusts therefore that the Honorable Court, after so much money has been expended will not stop short suddenly & direct the discontinuance of Dr. Wight's Superintendence before they are acquainted with the result of his engagements with the Ryots — 25th Do. 9th Do. No. 33

Ibid Minute by the Honorable Mr. Chamier — Observes that the despatch of the Minrs of Consn 15th Novr. 1845 No. 1331 whilst he had signified in writing his intention to record a Minute on the subject & before he had an opportunity of doing so was highly irregular states the reasons which induce him to think that it is not necessary that Mr. Elliot should return at all to Guntoor and suggests that on receipt by Govt. of reports upon which he is at present engaged, Mr. Elliot should be requested to resume his duties at the Board and the expense which is now incurred in deputation allowances consequent on Mr. Gatingham Acting as Member of the Board and Mr. Lovell and Mr. Cotton Actg in North Arcot would at once be put an end to, by the return of those Gentlemen to their respective Offices — 26th Do. — 9th Do. 7239 Minute by the Honorable Mr. Dickinson — Stating that Mr. Smollett has set forth the importance to be attached to the measures proposed by him for rescuing the Zemindar of Beredy from his embarrassments

embarrassments and the danger to which the peace of the Country would be exposed by the sale of his Estate - that if the Govt. at once acceded to the proposition of the acting agent the Zemindar would at once be rescued from his embarrassments - observes that Mr. Smollett has been relieved by Mr. Bannerman and considers that Govt. should be informed of his sentiments upon Mr. Smollett's proposition —— 8th Decr. 1845 | 23 Decr.
